

There's a worm at the bottom of the garden.

IN-

Wren Class Geography and Science

This half-term our lead learning topic is all about the animals and plants that live in our school grounds.

By the end of the topic, pupils will be able to answer the following questions:

- 1. Can we identify 4 plants, 4 animals, 4 birds and 4 insects that live in our school grounds.**
- 2. Can we use directional language and a simple map to find Easter treasure.**
- 3. Can we create a food chain that includes a producer, a prey and a predator.**

Key Vocabulary: country town city village forest woods river pond physical feature human feature aerial view compass points left right mammal reptile amphibian bird insects fish carnivore omnivore herbivore producer prey predator food chain.
