

STONE AGE TO IRON AGE

Owl Class History and Science Topic

This half-term, our lead learning topic is all about the Stone Age to the Iron Age.

By the end of the topic, pupils will be able to answer the following questions:

1. How does the Stone Age differ from the Iron Age and the Bronze Age and what evidence is there?
2. Can you name and describe the three different types of rock?
3. What is soil?

Key Vocabulary: Igneous metamorphic sedimentary permeable fossil palaeontologist
archaeologist pre-history artefact nomadic knapping hunter-gatherers wattle daub
Palaeolithic Mesolithic Neolithic settlement humus topsoil sub-soil bedrock
minerals parent material nutrients organic material
