HOLLYCOMBE PARENTS ASSOCIATION

The HPA Newsletter

October 2026

Welcome Back!

We hope everyone is getting settled into the new school year and finding their way. We're excited to be trying a few new things with the Hollycombe Parents Association (HPA) this year.

Monthly newsletters

First up, we'll be releasing a newsletter every month to give you an insight into what we've been getting up to behind the scenes, as well as sharing upcoming events and ways you can get involved.

One major project per term

This year, we're also going to focus on one major project for the school each term. Once we've hopefully reached our fundraising goal, any remaining money will go into the HPA account to help fund things such as theatre trip coaches, leavers' hoodies and other projects throughout the school year.

This term's fundraising project.

Yoto audio players and cards for the school library

This term, we'd like to focus on supplying Yoto audio players and cards for our school library. Yoto players give children independent, screen-free access to audiobooks, music and educational content. Using physical cards, there are hundreds of different options to choose from, making them a fantastic resource for encouraging a love of reading, listening and learning.

We'd love your support in helping us reach our fundraising goal and bring this exciting resource to the school library!

Thank You!

We're looking forward to a fantastic year ahead and are so grateful for all the support from our school community.

Together, we can make a real difference to the children at Hollycombe!
